

# Sign-in page

A hand-drawn sketch of a sign-in page layout. At the top, there is a header bar containing a home icon (h) and four links: 'username', 'password', 'sign in', and 'sign up'. Below the header is a large rectangular content area. Inside this area, at the top, is a box containing the text 'Recent / Trending updates / uploads / stories'. Below this box is a vertical dashed line. At the bottom right of the content area is a box labeled 'Ads'. An arrow points from the bottom left of the content area towards the 'sign up' link in the header.
